SKILLS

Design Tools - Figma, Canva, Framer, Sketch, Uizard, Proto.io

Web Development - HTML, CSS, JavaScript, React.js (Basic), Bootstrap, Tailwind.css

EDUCATION

Sandip University, Nashik Bachelor of Computer Applications	2022 - 2025 7.10 CGPA
Satpuda Jr.Science College XII (Maharashtra State Board)	2020 - 2022 77%
Indira Gandhi Vidyalaya X (Maharashtra State Board)	2019 - 2020 87.60%

EXPERIENCE

Web Development Intern Technohacks.co.in	Oct 2023 - Nov 2023
Gained practical experience in website development by building responsive and user-friendly sites using HTML, CSS, and JavaScript which enhanced my skills in front-end development.	

PROJECTS (UI/UX DESIGN)

Redesigned INHCRF Website inhcrf.org
I attempted to redesign the Coin Museum website after noticing its unstructured UI elements, lack of visual hierarchy, and outdated design.
Educational Resource Website LevelUp
A platform where students can access all necessary educational resources, including notes, handwritten notes, lecture videos, and courses, simply by searching.
